

Hello this is Mr. Henry and I know that you have all missed my weekly informational call and email for Ki-Be High School.

Winter Wishes Month for Ki-Be High

*In the past, classmates nominated friends that they know have a need during this month of giving. Gifts are donated by teachers, staff, administration, or purchased through the high school leadership class through either their fundraising or generous donations from our **AMAZING** community and area businesses.*

We would like to thank everyone for supporting such a worthy cause here in our #KiBeStrong community for our students.
